FLEET SERVICE WRITER

PURPOSE AND NATURE OF WORK

This work involves the first contact with fleet equipment arriving at the Vehicle Maintenance Shop for repairs. The incumbent records the vehicle problem as related by the driver; indicates the location and apparent severity of the damage or malfunction; questions the driver; and personally observes for other areas of improper functioning of the vehicle that were not reported. The documentation of vehicle malfunctioning or damage as it arrives at Vehicle Maintenance is the main function of this position. This information is used for later review of the maintenance history of each vehicle in determining maintenance cost and for making recommendations on replacement by the Fleet Superintendent. Work is performed under the general supervision of the Fleet Mechanic Supervisor.
