FOR IMMEDIATE RELEASE

July 23, 2020

SANDBAGS AVAILABLE AHEAD OF TROPICAL DEPRESSION EIGHT

The National Weather Service (NWS) is tracking a tropical system south of Louisiana in the Gulf of Mexico. The storm is on track to make landfall in central Texas this weekend, but it will likely bring heavy rains to Acadiana over the next several days. The latest NWS update predicts one to four inches of rain through Tuesday.

Sandbags are available at several sites throughout Lafayette Parish.

LAFAYETTE PARISH SANDBAG LOCATIONS

- North District site at 400 N Dugas Road (located off North University Avenue)
- South District site at 1017 Fortune Road in Youngsville.
**Both sites are open during daylight hours.*
Self-bagging – residents must bring their own shovel and manpower.

Bags Per Household

- Please limit sandbags to four bags per exterior door.
- Maximum of 20 sandbags per household.
- After initial use, store sandbags away from direct sunlight for use throughout the storm season.

MUNICIPALITY SANDBAG LOCATIONS

Broussard

- City Hall, 310 E. Main Street (behind City Hall)
- Deer Meadow Subdivision (corner of Deer Meadow Boulevard and Myette Point Street)
**Proof of residency required*
Self-bagging – residents must bring their own shovel and manpower.

–MORE–
